You must inform your faculty advisor in writing of any major changes in duties or in the proposed final written product:

Summarize the particular learning objectives of the internship:

**LEARNING CONTRACT (continued)**  
**SMPA 197**

**PROPOSAL FOR FINAL PROJECT**

The final product required for this internship should be on a topic that will reflect what has been learned on the job or enhance the student's performance on the job and should incorporate the readings agreed upon by the intern and the faculty advisor. The nature of the final project or paper should be consistent with the internship. The final project will be **due on the last day of classes** of the semester in which the internship is conducted. Briefly outline your proposal for this paper or project.
